# What is Inspire?

Inspire Health Partners is a clinically integrated network of physicians and healthcare providers who work together to coordinate patient care. Inspire Health Partners is a collaboration between local Indiana hospitals, Columbus Regional Health (CRH), Schneck Medical Center (SMC), physicians and other healthcare providers. The Inspire health network was formed to offer a community-based provider network that ensures patients get the right care, at the right time, in the right setting, in the most cost-effective manner.

## Our Mission & Vision

The mission and vision of Inspire Health Partners is to provide patients and employers across southern Indiana with access to high-value healthcare services within their communities. Inspire Health Partners will work to achieve this goal by defining value as the ability to provide patients with optimal outcomes and a superior healthcare experience, all at a reasonable cost.

**Mission** – to be the best community-based healthcare system.

**Vision** – to be the premier community-based, clinically integrated healthcare network through collaborative partnerships among physicians, hospitals and local industry.

# For Patients

Inspire improves access to services for patients and enhances the overall healthcare experience.

Higher Quality + Lower Cost = Greater Value

Inspire Health Partners offers patients quick access to high quality primary and specialty care physicians who are focused on improving overall healthcare and well-being. Physicians in our network are dedicated to offering holistic care for long-term healing relationships. The Inspire network works with any healthcare plan to give patients choice to a comprehensive list of the best physicians across southern Indiana.
